

Short Course on Rheometry

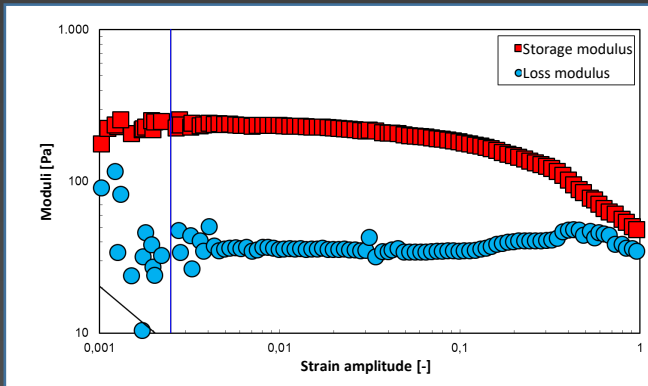

On occasion of the joint conference of the DRG & NRS

How to identify & avoid measurement errors

June 10, 2025

8:30 – 12:30

Emphasis on **rotational rheology**

Coaches with longtime experience

- Dr. Joachim Kaschta
FAU Erlangen
- Prof. Dr. Andreas Wierschem
FAU Erlangen

Examples from practice

Identify errors & artefacts

Measurement windows &
geometries

Device related errors

Sample handling

Sample related errors

Method development

Avoid errors

High pressure capillary
viscosimetry

Extensional rheometry

Venue / Fee / Contact person

BAM
Building 5, room 217 (Gelber Saal)
Unter den Eichen 87
D-12205 Berlin

- DRG/NRS members: 50,- €
- Non-members: 70,- €
