CALL FOR PAPERS

Abstract submission

Presentations in all areas of rheology are welcome, both as oral and poster presentations. Presenters should submit a max one-page abstract to the Editorial office by January 31, 2025. Further instructions will be posted during the autumn of 2024. The abstracts will be compiled into a Book of abstracts available for all participants.

[Submit your abstract here](#)

Instructions for submitting an abstract can be found here: [Abstract submission instructions](#).

Please note that when you submit your abstract, there will be an error message stating that an email confirmation could not be sent. This is perfectly normal, and your abstract is still successfully submitted. If you want to double-check the status of your abstract, you may contact the NRS President [Olli-Ville Laukkanen](#).

In case of problems with the abstract submission system, you may try accessing it with a different web browser (e.g. Edge or Firefox). For further assistance or questions, please contact the NRS President [Olli-Ville Laukkanen](#).

7. Create a new abstract

NRS Abstract management system

Abstract submissions for the Nordic Rheology Conference & DRG Symposium 2025 (6/10/2025 - 6/12/2025)

Before starting abstract submission you need the following:

- Name, affiliation, city and country of all authors.
- An abstract of less than 3000 characters including spaces and HTML tags. The title must be less than 200 characters (no HTML allowed in titles)
- The abstract may contain references in the APA-format but no illustrations. Special characters are limited to those available by HTML tags.
- A designated presenter and a designated corresponding author.

The deadline for submission is 1/31/2025 for oral contributions and 1/31/2025 for posters.

Please follow the given format for each field. The default instruction is to capitalize only the first letter of words as in for example:
Ann Smith, Department of Rheology, Copenhagen, Denmark, Rheology in Complex Flow Geometries.

To add a new abstract go to Papers and click the plus sign or click [here](#). **← Create a new abstract here**

If you have any questions or comments please contact the [conference organisers](#).

8. Enter your abstract and related information (see next pages for more detailed instructions)
