

Nordic Polymer Days 2019 Announcement

Dear Colleagues,

We have the pleasure to announce that the Nordic Polymer Days are coming to Norway again!

In 2019, Nordic Polymer Days conference will take place at the Gløshaugen campus at NTNU, Trondheim, Norway, June 5th - 7th.

Nordic Polymer Days is the premier nordic annual conference where researchers and professionals gather to confer around new polymer science developments and applications. Now in its 56th year, the Nordic Polymer Days continues to foster a collaborative environment and facilitate networking opportunities at the intersection of polymer science and technological development. Preliminary session topics are provided on the website: <https://www.ntnu.edu/npd2019>

The conference will include several scientific and social events including oral presentations, a poster presentation session, an organ concert, formal dinner with entertainment, and ample opportunities for networking. We hope to make this conference a memorable and productive event.

There are several important issues and dates that we would like to bring to your attention:

- January 1st, 2019. Online registration opens.
- April 1st, 2019. Abstract submission deadline. 23:59 CET
- May 1st, 2019. Early bird registration deadline. 23:59 CET
- May 21st 2019. Registration deadline for obtaining conference rate at the hotels. 23:59 CET
- June 1st, 2019. Final registration deadline. 23:59 CET

Information on transportation and accommodation will be provided on the website. We have reserved a block of rooms at the following hotels at favourable rates:

1. Quality Hotel Augustin
2. Scandic Bakklandet
3. Scandic Nidelven

In order to obtain the conference rate, you must register by May 21st 2019.

A primary focus for this conference will be the active participation of students and young scientists, and the promotion of contacts between these and potential employers.

We encourage you already at this stage to reserve the dates for this event, and consider your exciting presentation. We look forward to your participation at Nordic Polymer Days 2019!

Sincerely
